

NEW TIME DELAY CASE

**Security
&
Visibility**

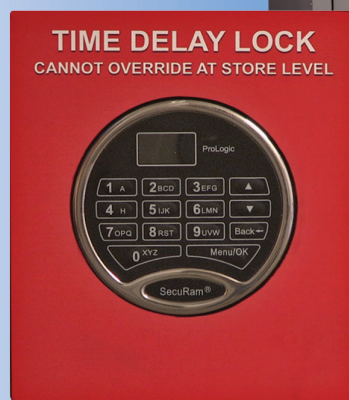

High Security with Reinforced Quad Doors

Case Specifications

- 42" w x 84" h x 22" deep 18-gauge steel cabinet
- 18 gauge steel doors with steel stiffening channels and boxed edges
- Manual aluminum high-security curtain with continuously engaged end retention
- Base slat cylinder lock with dual lock bars for night/after hours
- Mid-curtain lock with dual lock bars for additional convenience for hourly use

Time Delay Features

- Time delay digital lock for lower two doors, creating a locked lower compartment
- Flush door mount time delay keypad, concealed behind curtain when not in use
- Dual electronic actuators further strengthen the time delay storage
- Upper two-door compartment has curtain lock only for easy access throughout the day
 - Simple stock rotation within the same case
 - Quick access to lower-value, high-turn merchandise and bait phones
- Flexible shelf layout and/or peg-hooks
- Colored WARNING stickers provided with multi-language messaging for application

Flush door mount keypad

Optional external side mount keypad for increased access and visibility. Tampering and removal of lock maintains lock engagement

NEW TIME DELAY CASE

When robbers know inventory is protected with **MANDATORY TIME DELAYS**, they move on and spread the word

Digital Lock Functions

- Time delay from 1 second to 99 minutes
- Up to 2 manager codes and 28 user codes per lock
- Super codes for corporate, regional LP, and store managers available
- Disable a user code as needed for former or transferred employees
- Long-life, replaceable standard battery

Training instructions and video provided

Note: Optional wireless lock connectivity available (additional charge)
