

SECURE YOUR STORE **with** EASE

Rolling Shutters

Store owners have peace of mind while working late hours.

The P-51 perforation shown above is one of three available patterns.

An urban eye glass store owner showcases his store while protected with QMI Shutters.

Safe Selling All Night Long

Punched slats allow protected nighttime store views, but disappear into the shutter's box housing during the day. - **Security with Vision™**

- The ultimate in security
- High visibility
- Reduces energy costs
- Prevents break-ins
- Protects against extreme weather
- Smallest roll up coil available

Box Housing Styles

* Box size varies 150-800mm, see website for technical charts.

Custom colors available with additional lead time.

Not all colors are available in all styles. Consult actual mfr. product samples for exact color representation.

Control Options

Manual push-up/pull-down

Motor-operated

Remote control

Manual gear

PROTECTION **with** VISION

Security

Commercial applications are typically installed on the interior side of the glazing. Intruders want in and out fast. QMI shutters take burglars WAY too much time.

Vision

Perforated slats keep your signage and displays working for you. - **Security with Vision™**

"A cell phone store near Atlanta suffered 28 break-ins during a 2-year period. Since getting QMI StoreSafe shutters they have not incurred a single break-in attempt - going on 5 years now."
